

WHAT DOES PAPAA DO?

Information • Support • Awareness • Advocacy

INFORM

Clear, reliable information about psoriasis and psoriatic arthritis.

SUPPORT

Resources and practical help to support people living with psoriatic disease.

RAISE AWARENESS

Helping others understand what it's like to live with these conditions.

CAMPAIGN

Speaking up for people affected by psoriatic disease.

INVOLVE

Giving people a voice in research and healthcare.

CONNECT

Bringing people together through information, resources and support.

PAPAA – here to help people understand, manage and live with psoriatic disease.
